“Plant” a Family Tree- \$99

We do the work, you enjoy the story!

A Laconia Historical & Museum Society research team member will create your family tree through three generations of your ancestors including extended family members; aunts, uncles, great-aunts, great-uncles, their spouses and children with data that is currently available from utilized resources. All information will be accessible to view and edit at Ancestry.com for a limited time.* Trees require up to 6-weeks for completion.

Included:

- Comprehensive record searches in the areas of birth, marriage, death, census/voting, military, immigration/emigration, directories/member lists, and newspapers/publications found on Ancestry.com, Familysearch.com, and other sources as needed.
- Source citations to verify ancestor data and timeline events.
- A custom Pedigree Chart, Ancestor Report, Kinship Report, and Family History book summarizing the family tree, each formatted as a PDF and provided electronically.
- One year of continued consultation regarding your family tree and its growth (not to exceed a total of 3 hours.)
- A free guest account at Ancestry.com with accessibility on a limited basis. Clients can purchase a membership following the completion of their tree for full access and continued work. This will be the client's responsibility and choice.
